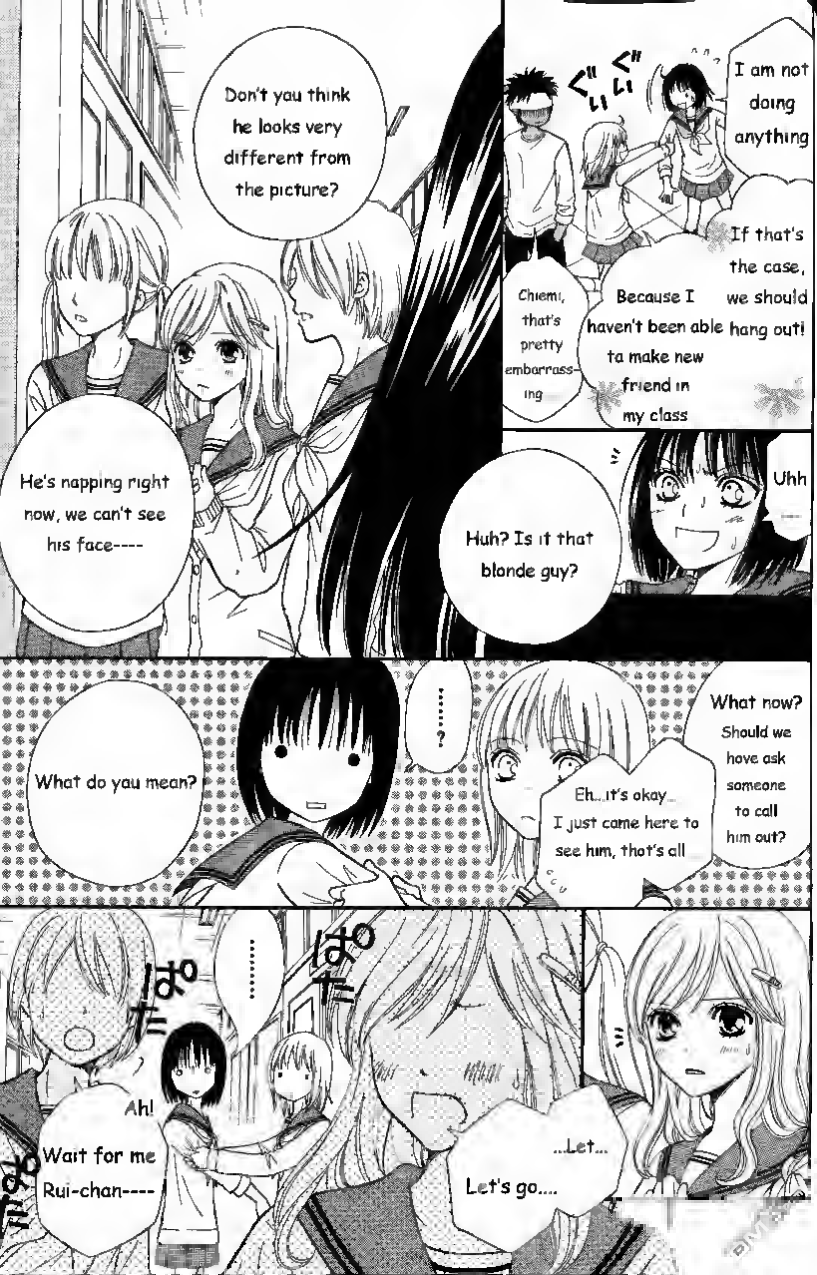
Junai Takkou Taichou! Volume 13 Chapter 15



Don't you think he looks very different from the picture?
He's napping right now, we can't see his face----
I am not doing anything
If that's the case, we should hang out!
Because I haven't been able ta make new friend in my class
Chiemi, that's pretty embarrassing
Uhh
Huh? Is it that blonde guy?
What now? Should we have ask someone to call him out?
Eh...it's okay... I just came here to see him, that's all
.....?
What do you mean?
.....
はぁ
はぁ
Ah!
Wait for me Rui-chan----
...Let...
Let's go....

Are they first years?
...or you should say... it's obvious they were talking about Ohno.
Yeah..
but it doesn't matter...
Because Ohno said he doesn't need a girlfriend
Ah!
When did he said that?
Hmm? During the school festivol
He also say that you are not what you seems
so closet
WHAA...!!!???

Does this mean ....
Anyways, don't worry about it. It'll be alright
You looked okay.. *
Ughh.. He actually said that.....
I don't have a chance either?
The spell for this type of situation is.... hmm..
It's all because of Hirata that my love spell was interrupted
That Jerk !
Hmm..?
*GASP!
Matsuru really is a girl!
Open your eyes!
HEH?

This is my chance to talk to him!
Why am I hiding?
*Bu-lup (Heart beat)
Furthermore, It'd be weird if I just call out his name.
Bu..but, what should I say..
Ever since we are in different classroom I hardly talks to him
But if I don't say anything... Rarr!!!
Oh...
Ohno Senpai!!!!
Whatever! I will do it!!!

Huh?
Uh...
I...
I graduated from the same middle school as senpai
My name is Maihara Rui!

Please ...
Go out with me!!!
Ehh ?
Why?
Eh ?
He asked her why?
what a jerk!
You are asking why uh..?
because I lo...love you...
In what ways?

Don't talk to her like that! Especially with that serious face of yours!
Why are you fearing it up?
I understand you don't know me,
but we can get to know each other...
Oii!!!
Ohno!!!
there no reason for you to li me... so in wh
In what ways.. uhh...
I don't even know you
What's up with this girl? she's so persistant
I've been in love with you since middle school,
If you can't fall in love with me, we can break up!
So please go out with me!

....I can do that!
EHH
?
Yeah.
I don't have a reason to refuse after all...
For real? Ohno
EH
?

Oii...Wait a minute, Ohno...
... I heard a rumor...
that you said you don't need a girlfriend
Ah?
"Don't need a girlfriend?"
I don't remember saying that
... Eh ..?
where did you hear that from?
That's great! Rui-Chan!
You did confess to him directly
Yeah! I was super nervous
Ah He He
My heart almost jumped out!
What is up with...
This amazing plot development ?

If I knew this would happen,
I shouldn't hove think too much ond just confess to him!
Not only that, he never said he doesn't need a girlfriend!
But when I ask him,
he say girls are too expensive and,too much of a hassle that he doesn't need one!
Ugh!
Wah!
I think he meant, he doesn't really need to get a girlfriend
No, actually I did confess once.
But some STUPID COUPLE had to ruin the moment!
あ
あ
あ

Normally, wouldn't people refuse if it wouldn't make o difference?
Sa what?
Just becouse someone confesses to him, he would try going out with that person?
Because it wouldn't make a difference even if he did
That I don't know, you got to ask him about it
Even when he had a girlfriend, it's like he was going out with them even though he wan't sure if he was into them or not
Now that I think of it..
I hoven't really hear him mentioned anyone he loves...
How did things turn out like this?
chatter
Sigh--
He never actually thought about it that much
Ha ha
Poor girls ... that fall for him.
The only thing that was clear is that
chatter

Between Ohno and me...
I am afraid this time I am really going to toss this away...
*Sign
Ahh ....
Ohno has zero interest in me ...
This is the anly thing that connect us together.
in my opinion
...You kept it?
"ヒヵ"

It already changed color!
Eh?
You haven't been taking care of it!
. Eh? Not really, because this is my first successful piece and I am saving it as a souvenir
Oh!
Wohh!
Let me see!
Hah?
That was uncalled for!
So in the end you are only doing this for fun
Go to hell!
Silver clay is just too expensive,
If I fail, my allowance for the whole month would be gone.
That's why I say I can teach you until you succeed, you are the one who didn't want to come.
If you are willing to learn
...huh? Can I really go...?
ばたばた

Ohno-senpai!!
たたた
Look, I baked cake!
Ohno-senpai like sweets, right?
You sure know a lot about me, .
Typical stalker indeed!
Do you want want to go outside and eat?
*Yukari's referring to jewerly making
Oh yeah, Yukari.
Hmm?
Outside? I don't think it's necessary.
Oh, c'mon!
At this point... it doesn't really matter...

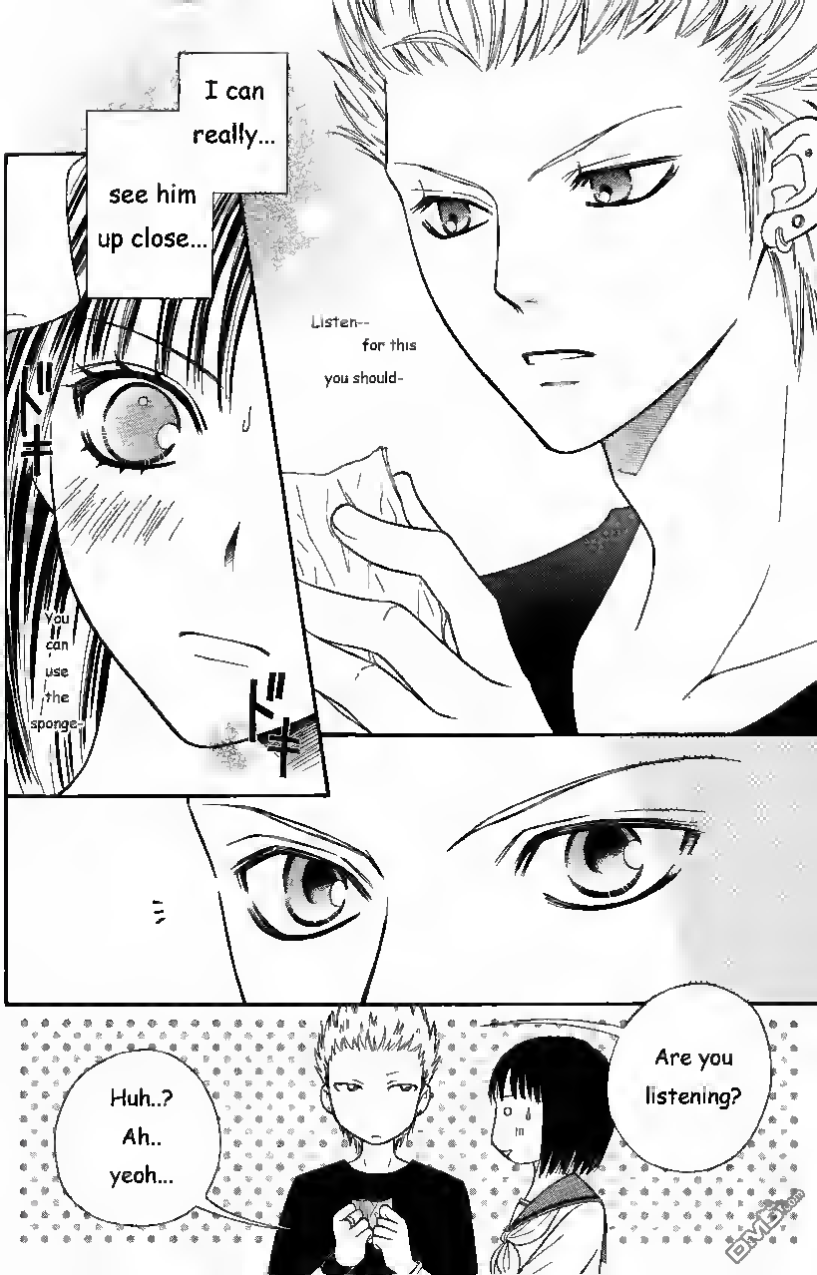
If you don't have plans for today, wait for me after school,
I will take you to the workshop at my store.
Huh...?
Stare
If I...I want to go I will wait for you...
Ok.

Is this okay?
But, I've always wanted to wait for Ohno after school
Oh,
You decided to come?
No, not really, you said to wait for you...
Oh yeah? Then let's go!
Oh God... this is just like last time, awkward silence
Huh?
Urm..
Is it okay with your girlfriend?

Stare
What?
What do you mean what?
You invited another girl out in front of your girlfriend, isn't it a bit...
Wha,
What?
Oh yeah, you are a girl
Can you not say that with such a serious face!
It's pissing me off!
Does it matter, it's not like we are doing anything bad
What does "Girlfriend" meant...
.....

To Ohno...?
Do you usually make jewelry here?
No, I make them at home, However the owner teaches class here so the tools are more complete. If there's something I need the store sells them as well
Is there something you want to make?
Use silver clay to make
Making Jewely
Besides, if I take you to my house, I am afraid you might cause a wreckage, so I didn't want to take you there.
What ever!
.....
Ah! This is cute!
it's a flower shaped pendent!
Denied!
I've decided to make skulls from copper spray and silver clay..
Skull Completion map
Well then!
Why do you ask me what I want!?

Recently, I have been fulfilling other people's request I haven't been making things for myself
That's why he ask me here to help him
So then, how many skulls do you want me to make?
Don't tell me I have to make every single one of them by hand
About 15 ish?
You just hove to press the cloy into the template ond take it out, you should be able to do it
Then stick the back of the skull
Say... What are you doing?
Huh?
Why did you touch the clay with your hands?
Eh? I can't
Of course not!
Ah such a waste!



I can really...
see him up close...
Listen-- for this you should-
You'll can use the sponge-
Are you listening?
Huh..? Ah.. yeoh...

Woha!
Are you even listening?
No! It's not like that!
Ah sorry-
There's going to be a crack
quick add water!
I will be aware of it next time
Didn't I just say not to touch it with your hands!
It took us 3 hours to finish only two skulls, this efficiency is so bad!
I feel ashamed!
I will try my best!
Don't ask me who the master is-!
Do you think you can learn some technique from doing this work with the master?
Yeah?
Then let's continue tomorrow
Uhh.. okay...
Oooooh Wooooohhhh

I feel like....
like I am dreaming...
Look! I did pretty good on this one!
Nice!

But,
I still have to work hard!
Does this mean, if Ohno doesn't have a girlfriend I can still be around him?
Urm
...

I knew this day would come...
What is she going to complain to me about?
Not to steal her boyfriend-?
I want to talk to you about Ohno-Senpai...
...Oh, I am Yukari
Ah...yes.
Because it seems like Yukari senpai and Ohno senpai are very close, so I wanted to ask you
What do you guys usually talk abaut?
I know what you are going to say,
Ohno and I aren't in that kind of relationship
STOP
?
Uhh..?
You are .
I am sorry ..
You want me to tell you ..
I actually want to ask you myself!
I can't strike up a canversation with Ohno senpai...

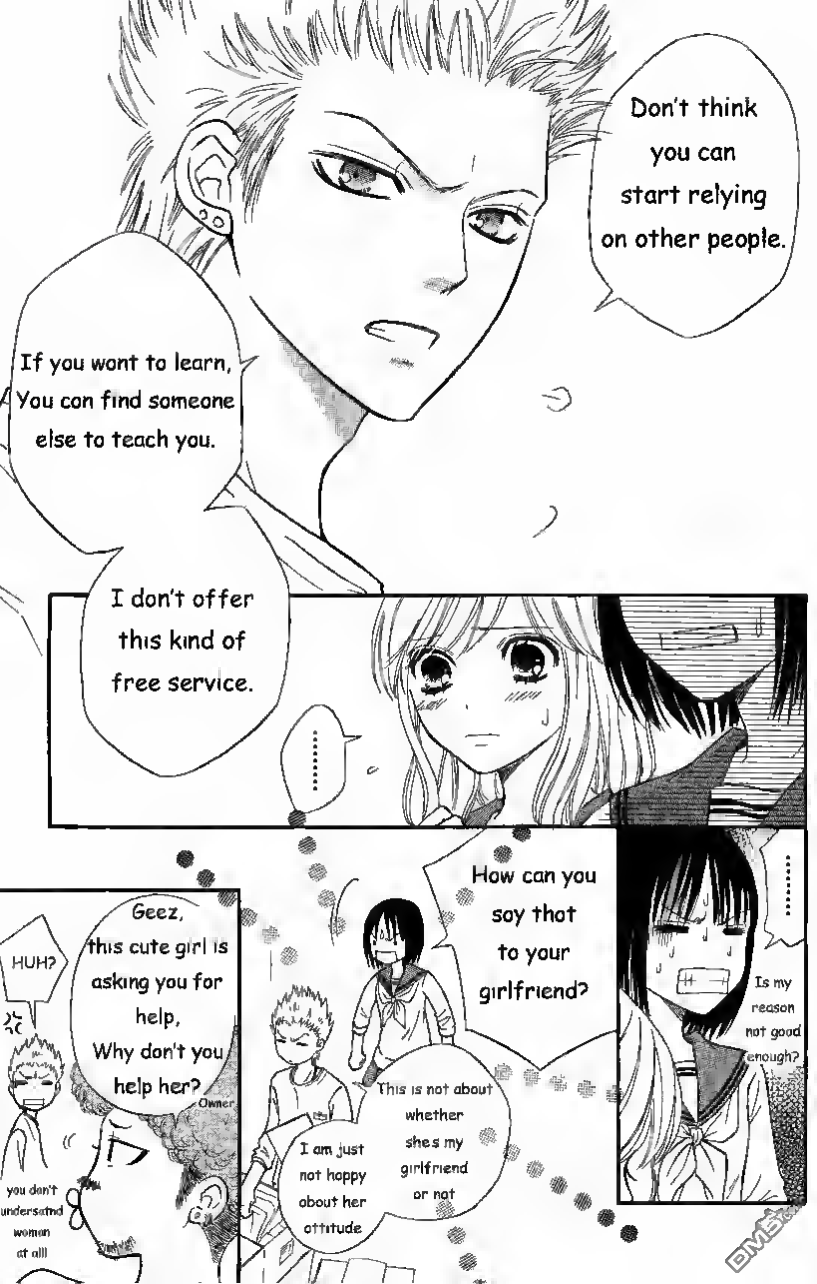
スッ
Other than that, whenever I tell senpai that I wont to meet up and to call me. He would do just that
...Same goes for me
But he never take the initiative to come to talk to me...
Pfff !
This is hilarious!
Yukari senpai... are you in love with Ohno Senpai?
Huh?
Hey!
THIS IS OHNO!?
No way!
He looked like someone else!
Haha !

I see ...
.....
Not ...
Not possible
Ever since middle school, I've always had a crush on him,
So I decided thot once I went to high school, I must confess to him
Even if he doesn't know me or refuses me, I wouldn't mind
Because this is better than doing nothing and regretting it afterwards.

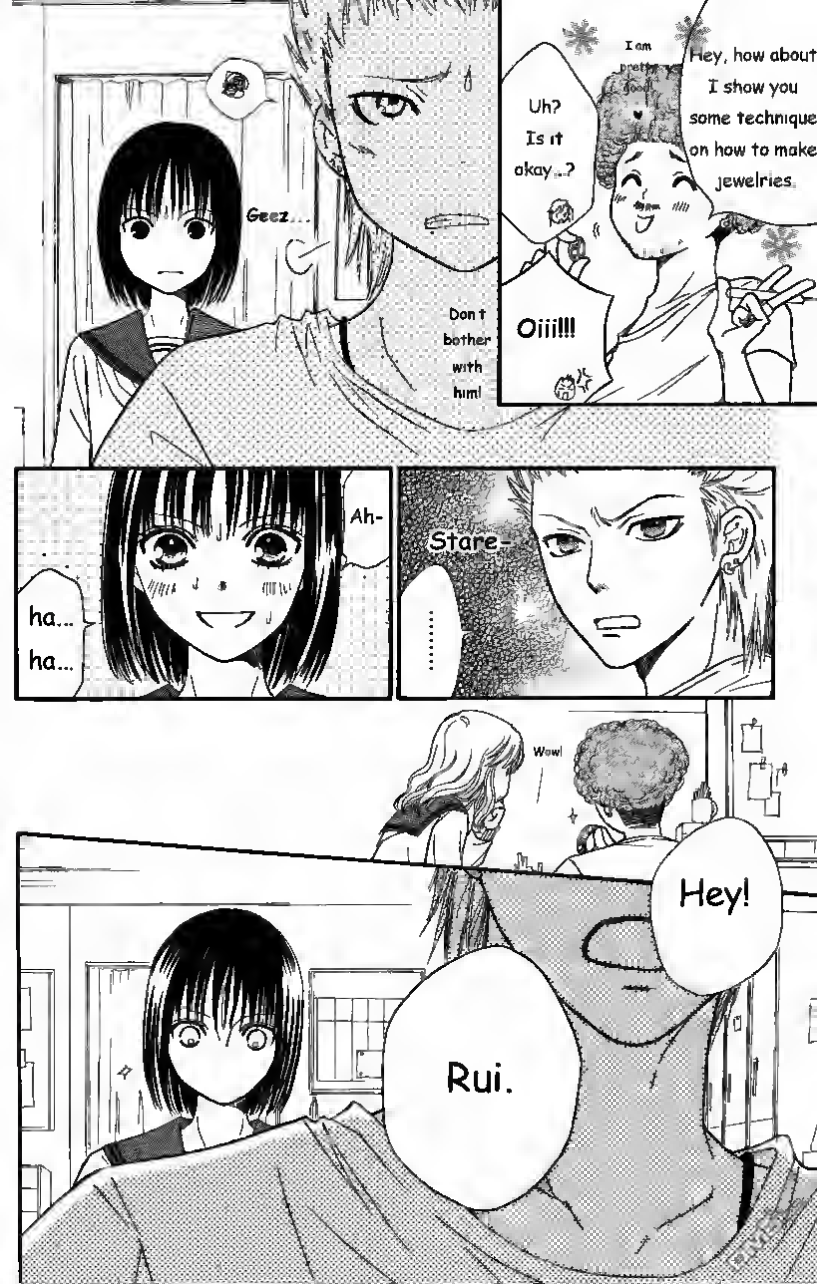
I understond that the reason he ogree to go out with me is because I keep bugging him, and he couldn't refuse.
But I was wrong, When he ogree to go out with me, I become needy far his attention and I wanted him to ocknowledge me as his girlfriend
Eh?
That guy is very straight-farward ond he daesn't lie
he wauld refuse directly
I think if Ohno can't fall in love with you,
Wait ...
So, don't worry about it...
What am I saying?
Really?
Oh yeah!

?
Hello!
Why did you bring her here?
Ah haha We met coincidently,"
She say she had an interest in making jewelries and she's haping that we can teach her
I thought this was a rare opportunity! So I brought her here
GET OUT!
Eh?

Come with me after school, I'll take you to this one place.
Whenever I saw her,
She reminds me of my inner self and my own struggle...
30



Don't think you can start relying on other people.
If you want to learn, You can find someone else to teach you.
I don't offer this kind of free service.
.....
.....
Is my reason not good enough?
How can you say that to your girlfriend?
This is not about whether she's my girlfriend or not
I am just not happy about her attitude
Geez, this cute girl is asking you for help, Why don't you help her?
Owner
HUH?
you don't understand women at all!



Geez...
Don't bother with him!
I am pretty good
Uh? Is it okay...?
Hey, how about I show you some technique on how to make jewelries
Oiii!!!
Ah-

Stare-
.....
Wow!

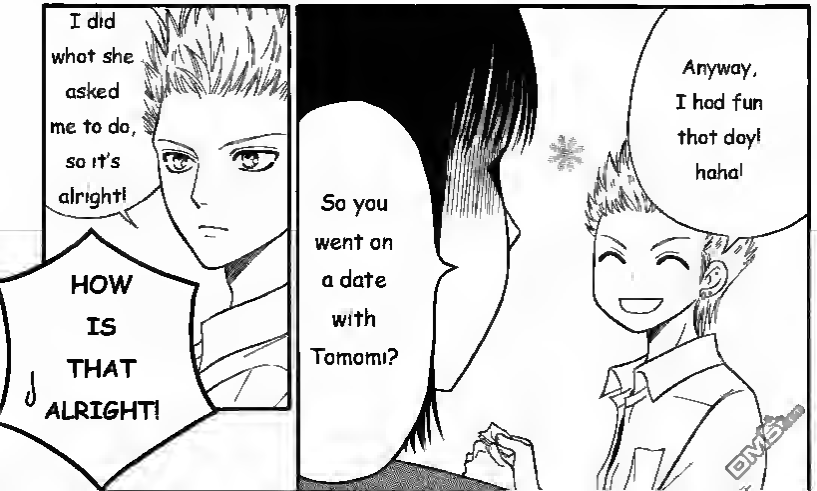
Ohno!
Oh sorry, I thaught it was a coin ralling, but it was this.
OUCH!!

Why not just get a new one!
I don't know if it can be fixed
uh ...
It's just that
My necklace chain broke
On Sunday
.....
I remember we have different types and styles of charms-
You can buy a new chain when your are there
You are coming to the store today right?
Something must-have happened right?
Does-that mean...
Like they kissed?
His girlfriend was at his house
I want to ask him! But if something did happen, I would be very upset! BUT STILL!!
Ahh
The color is more visible under the sun
It's already like this
Do you use eye contacts?
Eh?
Ohma, your eyes are green?
Oh.
I feel like I haven't seen you for a while

I want to know!
Huh?
What?
Did you messed up?
...No, I didn't, Urm..
Yesterday... didn't your girlfriend went to your house?
I was wondering how was the result.
Be. because! As your opprentice, I want to know how's her skill?
as a starter
Her memory and hand skills are better than yours

But she doesn't want to get pierced with a sewing needle,
so I went out to get an ear piercer-
Uh...
hum...
Oh really ...
is there anything else...?
Anything else?
Well
I was going to pierce her ear, because she say she want piercings

then we went to that one restaurant, and ate!
What was that place called again...?
It was sooo good!
I won in the end, so I forced him to treat me to same BBQ
Then I met Tomomi on the way there, we went to the arcade, and played that new battlefield game
It was freakin' awesame!
Tomomi was crazy good!



I did what she asked me to do, so it's alright!
HOW IS THAT ALRIGHT!
So you went on a date with Tomomi?
Anyway, I had fun that day! haha!

I don't even understand why you go out with her!
No particular reason
and she say it in the first place that it's okay with her if I don't have feelings for her
.....
You left your girlfriend all alone, while you had fun outside,
What were you thinking?
In some ways, that pretty bad!
Don't worry I won't go out with you either!
If it was me, I wouldn't go out with a jerk like you!
I can't believe this!
Huh?
This is pissing me off ...

I should be the one to refuse you!!!
HUM
If I wasn't thinking straight and doted you, I bet I would get hurt and get dumped-!!!!
Oh really-?
About that, I don't really care, but go ahead and take the geor out of the oven to cool.
*Anger
He soy
He doesn't core...!?
Whatever!
You should just marry these jewelries and spent the rest of your life together!
open
IT BURNS-!!!!
What the hell ore you doing?
Ouch! It's hot!
Sorry ...

Leave it! You should treat your hands first!
Uh?
NO WAY!
It broke-!
Oh wohh!
But
I have to fix it
You should worry more about the jewelry instead of me!~
It would be bad if you get injuried!

Here's ice!
Oh .
Thanks .
Hm
Are you o gentle or unruly person?
I don't understond him ...
ot oll...
Aye? ❤ You are here today as well ❤

I can't believe you have the patience to deal with his bossy commands everyday
I remember he's off today, right?
I am the only one making it today
Yeah.
Oh!
Hello!
I'm here again!
You are making a bracelet out of it?
Uh...? Yes. .
It's kind of plain with just the skulls-
Haw about adding some decorations, to make it look cuter?
Oh... okay.
Hey, hey, what color do you want to use?
I have so many gem stones
Oh!
No.. but..
Will it be okay?
But wait if I put it on without his permission, he's going to scold at me again!
Just one, it's alright

A color that fits Ohno..
Hmm...
What happened to this?
Eh?
The chain broke?
You taped it
Aww- how cute! isn't this the pinky ring Ren made?
Even though the shape changed
You made the other heart, right?
Eh?
Awww-❤
No... wait...
How Sweet-I ❤
IT'S NOTHING SPECIAL!!!
Please don't make face!
I don't even know what's going on in his head
He's just not good at expressing his feeling that's all.
Moreover, Ohno already has a girlfriend
Right now, He does whatever he like towards his date!

I met him when he was just a kid,
He's just like his mother
Yes, I know that..
He mentioned once
Ren of course!
Huh? Who?
Do you know Ren's mother is foreign?
When Ren was small, he doesn't like to talk or socialize with other children around his age
Even though, he doesn't say anything, he actually care alot about his appearance
"Aren't I different from you guys?"
"That's why I got bullied alot when I was little."
He began to change when he started making jewelries,
but I believe he still got his own personality

Ohno can communicate well with others through the jewelries that he makes
But if he had to directly face the persan, he seems ta hald back again.
"I want to make jewelries that are deemed special far that persan!"
Now that you mentioned it ... I do remember Ohno saying that!
Ren, he...
is very happy when he make jewelries other peaple requested
He's actually fond of those who wear the jewelries that he makes,
but he doesn't want to accept himself like that.
.....

Please
Don't Hate Ren!
Sign ...
I will fix that chain for you
But you got to promise me one thing
Uh?
The store owner is making me even more confused
SIGN
That would be a better explanation...
Even so, I still think the way he treated her was pretty bad
That means Ohno agreed to go out with that girl. It's because she kept pestering him...?
I still don't understand anything...
About Ohno...
And he thought maybe he can face her directly...

It isn't right to think that Ohno...
doesn't have love feelings
I really did make some decoration upgrade to one of the skull just like the store owner recommended
But it's okay! It looks cute!
If Ohno sees this he will definitely kill me
Anyways, I got to find Ohno first

I apologized to her for what I did last time,
after she hear that, she ask me whot I feel about her, also she says thot she doesn't feel like she was my girlfriend and such
She keep complaining, I was getting anoayed
So I told her we should break up and we did
...

WHAT!?
How can you break up that easily?
There's got to be a cause
What?
We did agree from the beginning that if it doesn't work out between us, we can break up anytime
It shouldn't be a problem.
Huh?
I've got to be kidding me...
This guy ...
What is he doing?

That was horrible for what you just did!
You really are a Jerk!
Have you ever think about her feeling when she's going out with you!?
Why are you mad at me?
This has nothing to do with you.
Doesn't matter if it's my own feeling toward Ohno,
or whatever I do, this is what I think about
OF COURSE IT DOES!

I thought if they become a couple, everything wouldn't matter...
You think you can do whatever you want!
Someone might get hurt because of that!!!
But after seeing Ohno treating her like that,
It's like he's treating me the same way, which made me very mad!
People's feelings are very complicated!
